## The 1952 EXCALIBUR

Crown Point High School

---

Our teachers have started us on the path to learning—  
pages 4 to 11.

A few of the activities that make up the social side  
side of learning—pages 12 to 33.

Competitive sports takes on as high a place  
as science, language, and history in the process of learning—  
pages 35 to 58:

And our classes and the people that make our  
classes—pages 58 to 72.

Our cherished dreams of the last four years have  
come true—pages 72 to 91.

## WEST ON JOLIET STREET

Go up the long path past a clump of trees,  
acknowledge the group of students congregated  
on the steps, and pass thru the doors of CPHS.

## ADMINISTRATORS

## FACULTY

"Booklearning" the object of any school plus the  
"Learning" that is attained through companion-  
ship, through competition—earnest but friendly—,  
through sharing other people's problems  
and sharing our own equals the final total—Wisdom,  
which is the object of our school! Either  
one without the other is worthless but the two  
combined create a combination that make  
"democracy" a working model instead of a word!

Unlock the door this evening,  
And let your gate swing wide,  
Let all who ask for knowledge  
Come speedily inside.

## ACTIVITIES

For everyone interested in making our community a better place in which to live there are the Sunshine Society and the Hi-Y; and for the students interested in government there is the Student Council. The EXCALIBUR and INKLINGS satisfy the literary artists; while the band and chorus are composed of music lovers. Activities—the social phase of learning emphasizing “getting along with people” is of vital importance.

## Our Inklings Staff

Under the able guidance and supervision of Miss Lauterbur our school paper, the **Inklings**, is run by an efficient staff of students who believe that the freedom of the press is a major part of the "Open Door to Learning".

Although the paper is limited by time and high costs each staff member takes deep pride in its publication. Each issue is filled with the latest news and description of all the important events taking place around our school.

It was a challenge to the new staff to improve upon the 1951 **Excalibur**, since it has received a first place rating in the Columbia Scholastic Press Association's 17th Annual Contest. Behind each section, each page, and each sentence of the 1952 **Excalibur** lay months of preparation and planning.

Our Co-Editors Jerry Larson and Phil Rosenthal dignified seniors assume executive poses. Sports Editor John Friend, Artist Anndora Langeland, and Copy Editor Jessica Stronach lend the photographer a smile over the railing.

## "AND RAISE OUR VOICES IN SONG"

### Triple Trio

Beautiful notes blended together makeup our Triple Trio. The trio consists of selected girls voices. Joyce Lee Coash is the pianist for this group of musical minded girls. Jackie Wilburn, Ellen Turnquist, and Pat Kuiper are the alto voices; Joan Stuhlmacher, Marilyn Moore, and Barbara Oram make up the second alto voices; Sue Lunbeck, Shirley Thienes, and Barbara Thompson are the sopranos.

Our A Cappella choir, under the direction of Miss Ina Mae Girod, gave two concerts this year—one at Christmas and one in the spring. The choir also broadcast over station WWCA. The Christmas Concert featured a special number, "Twas the Night before Christmas in pantomime, with A Cappella choir in the background. The Girls Glee Club added a light touch of "old English" to this concert in song. The Triple Trio and Band also participated in the Christmas Concert. The Triple Trio appeared before several local organizations plus helping out with the religious convocations throughout the year. Our choral organizations teach us to sing together and help us to learn to live together.

## Sunshine Society

The high ideals of the Sunshine Society are expressed in a candlelight initiation of new members early in the fall. The motto of the society is OTHERS, which is carried out by delivering baskets to needy families at Thanksgiving and Christmas, the state convention, co-sponsoring with the Hi-Y a dancing classes in the winter, and a semi-formal Christmas dance. Spring brings the annual Rose Dance, and the crowning of the Rose Queen.

Climaxing the activities of the year is the May Breakfast at which incoming officers are installed. All proceeds from Sunshine Society activities go to the Riley Memorial Children's Hospital in Indianapolis.

Sunshine initiation is a solemn ceremony held in the fall at a Friday morning assembly.

Sunshine officers are: Recording secretary Barbara Wieland; Vice-president Doris Teagle; President Mary Lou Sigler; Treasurer Barbara Thompson; and Corresponding Secretary Joan Flegal.

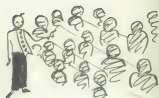

The Sunshine breakfast held in the spring is the official sign that spring has come to CPHS.

## Hi-Y Club

To extend free service to needy persons and organizations whenever possible is the purpose of the Hi-Y. Mr. Snider is the Hi-Y sponsor. Each boy in this worthy organization earns his letter through service to others. Higher standards of Christian character are a living motto of Hi-Y members. Christmas gifts to the children at Parramore; serving as ushers and helpers at the holiday tourney and other activities of this kind symbolize our Hi-Y.

Jim Schmal, Hi-Y chaplain; Herbert Buche, treasurer; Pat Donnelly, secretary; Stan Barr, vice-president; and Bob Barnacastle, president constitute the elected government of the Hi-Y.

Bob Barnacastle, Hi-Y president, conducts a meeting in room two during homeroom period.

## Dance...dance...dance

## Conscription?

The Debate group attended some twenty debate meets during the course of this year. Each of those meets called for debating two to four rounds. However, debating is only a part of this groups activities. This group attended some ten solo speech contests in the year's time. They entered three student congress groups: regional, district, and state. They joined in two day national and state contests in debate and speech. The debate spent two days at Purdue for the conference debate. Members of our group entered the Voice of Democracy radio contest and the American Legion Speech Contest and participated in the radio show over WWCA.

Dick Patterson was one of ten selected from some 250 students at Purdue as the best in their Extemporaneous Speech Contest. He was also chosen to represent Crown Point in the Voice of Democracy Contest.

Debators smilingly posed for the Excalibur camera are left to right, Mary Jo Tullis, Sandra Franz, Nancy Iams, Ann Tullis, and Victoria Palmonari. In back, Bill Parry, Al Teagle, Dick Patterson, Henry Langeland, and Keith Patterson.

## Hold That Pose!

The goal of the Camera Club is to teach young people who are interested in photography how to take and develop good pictures. This year they sponsored a picture contest. The winners of this contest were Bob Hobson, who received first and third places, and Peter Brown, first and third places for pictures entitled "What's Cookin'" and "The Stretch", and Peter Brown, who placed second with his picture "The Road Home". Their pictures and other place winners are a feature in the **Excalibur**. President Ralph Skoog, Vice President Jerry Johnston, and Secretary-Treasurer Bob Hobson make up the executive board for the Camera Club. This organization sponsored a showing of National High Photographic Award Winners. The Camera Club is going to continue to furnish dark room equipment, and any other needed equipment. ## By the Student

The A Cappella performs at the Easter Convocation sponsored by the Student Council.

Down the hall to room 4 we find the government of our school, the Student Council. Through this organization we learn to be a "democracy within in a democracy". The Student Council officers are elected in the spring of the year by the student body after hard and heavy campaigning. The officers elected last spring were Gordon Gerdt, president; Bob Hobson, vice president; Betty Sigler, secretary; and Bob Armstrong, treasurer. The remaining members were elected in the homerooms. During the course of the year, the Student Council has charge of Christmas and Easter decorations and Holiday Convocations. This year's main project is a Freshman orientation which will be effective next year. It is the duty of the Student Council to settle any major student government problems.

"College Day" offered a chance for Juniors and Seniors to ask questions of representatives from many of Indiana's colleges and universities.

## For the Student

Student Council campaigning reaches its full fury during election days as is displayed in "Flash" Gordon's political platform, and the determination of his admiring voters.

Casting your ballots on a voting machine borrowed from the county in April is as important to a student as graduation is to a conscientious senior.

Student Council representatives and officers standing left to right are John Friend, Paul Seegers, Bob Laney, Eppler Gruenhagen, Sue Lunbeck, Faye Stuhlmacher, Charlotte Hartley, and Judy Rogers. Seated on the steps are: George Komechak, Judy Burns, Norma Schroeter, Treasurer Bob Armstrong, Secretary Betty Sigler, President Gordon Gerdie, and absent when the pictures were taken were Vice President Bob Hobson and Bob Barnacastle.

## Seventeen Is Terrific

To be seventeen in the spring, to be in love with Ginny, to want to go to the dance of the year, to be without an automobile and to be without money—to be Chuck Allenby. Life at seventeen could be terrific but there were obstacles, obstacles such as Hugo, a slick city operator who tried to win Ginny's affections from Chuck; Dr. Allenby, the obstacle with aching feet; and losing the hidden treasure. By the time the final curtain fell on this hilarious comedy presented by last year's Junior Class "Seventeen Was Terrific."

"You, you'll always be my girl, won't you, Ginny?" Bill Prange says to Ellen Turnquist. Above the din of everybody in the act—Donna Glassford, Jerry Kimberlin, Joan Flegal, Janet Aiken, Allen Teagle, Joy Shimko, Barbara Peterson, Ellen Turnquist, and Bill Prange—these words are distinguished, "Here's your butter, Barbie."

"The Husky from Sandusky, or the Jerk from Albuquerque" are a few of the witty sayings heard in a scene with Jerry Kimberlin, Joan Flegal, Joy Shimko, and Allen Teagle.

"Oooooooooooooo! Is he devastating to the emotions!" sprouted from the lips of Janet Aiken and Barbara Peterson as they spoke to Joy Shimko.

## We Shook the Family Tree

Ellen Turnquist, Robert Laney, Joan Flegel, Barbara Oram, Dick Patterson, Bill Alder, Jackie Moyer, Doris Jones, Allen Teagle, Pat Donley, and Joy Shimko "Shook The Family Tree" and all those who saw the senior classes' production of Hildegard Dolson's comedy shook with laughter. Freddie Shermer had to solve lots of problems to get his first pair of long pants for the prom. Hildegard makes the situation worse by getting her father on the outs with his father by a debate that she took part in at school. Jimmy helps matters along by causing quite a stir just before the Shermers arrive on a social call, but all ends well.

Left to right, top row—In the finale "mob scene" the "innocent" Mr. Shermer screams, "Help, No, Stop, Get off me. I didn't do it!"

Jackie Moyer says, "Here's your blue ribbon, Mr. Dolson." to Bob Laney as the climax draws nearer. Left to right, back row—E. Turnquist repeats the dramatic lines of her school debate which cause a family crisis, "Father is a drunkard and he beats his wife and children until they are bruised all over!"

A Family Portrait: The Shermers, The Dolsons, and the gang.

# SPORTS

Competitive sports takes as high a place as science, languages and history in the process of learning. It not only advocates team work and cooperation with your fellowman, but also teaches the competitor the all important facts of winning or losing, gives him the ability to take a loss as gracefully as he would take a gain and strengthens the poise and perseverance that make an "American" mental attitude. So you see, sports is not merely an outlet for physical energies but plays a large part in building the character of the CPHS "Citizen of Tomorrow"!

## Luckless Bulldogs Win 3, Lose 6

Crown Point's graduate-riddled Bulldogs (with only three starters returning) opened their 1951 schedule at Boucher field in Valpo. The young Bulldogs started out with a bang as they scored twice in succession to take a halftime lead of 13-0. However, the Vikings took advantage of a fumble and a batted pass to score twice in the last four minutes to edge the Bulldogs 14-13. The angry Bulldogs then journeyed to Lowell to indulge in their favorite pastime, spoiling homecoming's as they threatened the Lowell goal-line time and again but couldn't score until the last few minutes of the game to win 7-0.

The Bulldogs then played host to a tough Merrillville eleven but proved to be ungracious entertainers as they walloped the

Pirates 12-6. The Bulldogs then traveled to Gary Wirt to put on their finest offensive showing of the year to smother the Troopers 27-7. Then came the game of the week in the Calumet Conference, C. P. vs Hobart, as the Brickies took advantage of every break to slaughter the Bulldogs 34-6. The Bulldogs were then visited by the Rensselaer Bombers who smashed the injury riddled Bulldogs 27-7. The Bulldogs then lost to a hepped up Lowell squad 14-6. It was Lowell's first victory in 17 games.

The Bulldogs were beaten in the next game by Griffith 20-0. Then they braved the sub-freezing weather only to loss to Dyer 7-0. The East Gary game was cancelled.

Then misfortune struck the young Bulldogs (made up predominately of freshmen) as they lost two games in succession to Merrillville 7-6 and Griffith 13-0. The Bullpups managed to salvage a tie in the last game with East Gary to end the season with a respectable reward of 3 wins, 3 losses, and 1 tie.

## Bulldogs Win 10—Lose 10

This year's edition of Bulldog basketballers fought their way through a rugged 21 game schedule. Plagued by injuries, sickness, and inexperience they managed to emerge at the .500 mark by winning 10 and losing 10.

This mark was attained largely by a sensational stretch drive after starting the season in poor style. The young Bulldog team staggered to a poor early season mark of 2 wins and 5 losses with only a fine 60 to 32 defeat of Lowell to enlighten the otherwise drab record.

Then the Bulldogs started the developing process which eventually made them one of the most feared teams in the conference. They dropped Demotte 65-44, in the holiday tourney, only to lose to Griffith 45-41. The Bulldogs then embarked on the victory trail by smashing Hobart 69-55. This was followed by successive conquest of Knox's sectional champs, Dyer

and a heartbreaker 58-56 loss to Merrillville in double overtime. Hampered by a flu epidemic and a rash of injuries the Bulldogs lost successive games to North Judson and Kouts.

Next the Bulldogs knocked Portage out of first place in the conference with a brilliant 48-43 performance and walloped winless Lowell 39-28. Then the Bulldogs sparked by Friend's season high of 27 points, knocked off East Gary 45-40. They followed this with a 58-57 defeat of Rensselaer. In the final game of the season the Bulldogs lost out in a battle for third place with Griffith 59-54.

In the state tournament Crown Point lost to Hammond Tech 51-50 in overtime. It was later learned that Tech was using an ineligible player, the result was a 2-0 forfeit victory for Crown Point.

The regular starting lineup included Don "Mac" McLean 6'2" Bulldog captain at one forward, Dick Becker 6'5" sophomore at the other forward, John Friend 6'3" junior veteran at center, Jerry Johnston 5'11" junior, and either Ed Zellers 6'4" junior or Jim Schmal 5'8" sophomore at the guards.

Capable Bulldog student managers Tom Platt and Jim Weaver.

Eyes up for the camera and left to right in our semi-circle are Ed Zellers, Ed Kedzo, Bob Laney, Jerry Johnston, Jim Schmal, Jerry Niemeyer, Roland Wise, Don McLean, John Friend, and Dick Becker.

## ROLAND "BUB" WISE

Roland "Bub" Wise intently studies his project in Mechanical Drawing. Acclaimed by Coach Snider as "The coolest player on the squad," Bub could always be counted on to steady the team when he went in. He played probably his best game when the pressure was hottest in the Hammond Tech overtime thriller. Roland is only a junior and much is to be expected from him next season.

## DON "MAC" McLEAN

Mac is shown here studying the copy for the linkings where he serves in the capacity of a sports editor. Don finished his third year at a starting position this season and will be sorely missed in Coach Snider's plans for '53. Don had the second highest shooting percentage on the squad, achieved mostly by the use of deadly two-handed set shot from out. This coupled with hard driving and rebounding made him a most feared performer. He received honorable mention on the All Conference team.

## ED KEDZO

Ed Kedzo, another of the many juniors on this years varsity squad (there were seven in all) served as a valuable 6th man for the Bulldogs. Ed developed fast near the end of the season to warrant his playing in several crucial games. Ed at 6'2" was another "giant" and was bothered with the ever-present awkwardness which characterizes tall players. Ed, however, overcame this to the extent that he developed into a polished performer by sectional time.

## ED ZELLERS

Ed at 6'4½" was another "goon" on this squad, however, he could move unusually well for a big man. Ed proved to be quite adept at shooting, dribbling, and the attributes generally conceded to the small player. The average person is of the opinion that anyone over 6' is awkward and slow and his only responsibility is to stand under the basket and rebound the erring shots of his team-mates. Ed played the forward position and his superior height and tremendous jumping power made him a valuable rebounder. Ed is a junior this year and will return to bolster the Bulldog hopes in 1953.

## JERRY NIEMEYER

Jerry Niemeyer is shown here operating the jointer in the advanced shop class. Jerry, while being the smallest player on the team (only 5'8") proved that basketball is not a game reserved only for the six footers. At the beginning of the season Jerry was rated no more than a sub but by hard work and plenty of flight he developed into a fine floor-man and dangerous set shooter. Jerry, also, is a junior.

## COACH SNIDER

Coach Dean Snider's responsibilities at Crown Point High are two-fold. He is shown here as both an amiable Civics-Economics teacher and as a capable basketball coach. Mr. Snider completed his third year at C. P. H. S. this season and has a fine record of contending teams to be proud of. He came to C. P. H. S. from Portage where he fashioned several championship teams. The ardent Bulldog fans may rest assured that the fortunes of C. P. H. S. basketball are in good hands.

## DICK BECKER

Already a veteran in his sophomore year Dick Becker is expected to develop into one of the highest scorers in Crown Point history. Dick stretches 78 inches (6'5") into the ozone thus posing a terrific problem for the Crown Point opponents. Dick plays the pivot spot where his tremendous height makes it near impossible to keep him from scoring. His pet shot is the overhead hook shot, and he led the team in total points scored in the '51-'52 campaign.

## JERRY JOHNSTON

Another junior played the guard position and started nearly every game for the Bulldogs. Jerry was endowed with a natural shooting touch which made him a threat every time he got the ball. He could hit a 2-handed set shot from out but his best weapon was a one hand push shot in and around the free-throw circle. Jerry at 5'11" was one of the smaller players on this years squad (one of the tallest in Bulldog history) and will be expected to pace the Bulldog attack in '53.

## JIM SCHMAL

Jim, though a virtual unknown at the start of the season soon fought his way into a starting berth. Though only a sophomore he soon displayed several qualities necessary in the makeup of a performer of varsity caliber, namely his aggressive defensive ball-hawking, deadly set shooting, and hard driving from the guard position. Jim is another underclassman returning in '53 to bolster the Bulldog chances for a sterling season.

## JOHN FRIEND

John, despite a leg injury which carried over from the preceding football season, stood out as one of our finest ball players. At forward, John's competitive spirit made him a constant scoring threat and rebounding ace. John, a Junior, will be one of our returning lettermen and will be again one of the valuable cogs in Crown Point's basketball machine. John received post-season honors as he was named to the All-conference first team and led the Crown Point squad in percentage of shots made and highest average points per game.

## BOB LANEY

Bob Laney is shown here contributing his talent to the C.P.H.S. band. Bob also completed his last year on the C. P. Varsity squad this season. A returning letterman, Bob was bothered all year by a re-occurring knee injury acquired during football season. A bruising rebounder at 6'1" he was a valuable asset to the '52 squad. The only other senior on the squad besides McLean, Bob will be conspicuous by his absence in '53.

## RALPH SKOOG

Although not a regular varsity member Ralph was the work horse of the reserve team and his performance warranted his participation in many varsity games. Ralph at 6'1" was the tallest player on the reserve squad and controlled the banks regularly for the reserve 5. Ralph led the reserve scoring in nearly every game as he used a fine repertoire of pivot shots to a good advantage. Skoog is a junior this year and will return in '53.

Reserves shown here are:

1st row: Don Stillson, Ron Waymire, John Smead, Art Kidd.

2nd row: Eston Perry, Jim Wood, Ralph Skoog, Dave McMichael, and Bob Hobson.

## Bulldog Reserves Finish Strong

Led by Ron Waymire, Ralph Skoog and the fast-improvement of sophomore speedster John Smead, the Bulldogs reserves finished the season in a blaze of glory by winning five of their last six games.

The reserves lost to their arch-rival Lowell in the reserve tourney but seemed to take their cue from the varsity after Christmas vacation by improving by leaps and bounds until the final game. The reserves were hampered by a slow start due to the number of football players on the squad necessitating the use of the Freshman team in the first two games.

This hampered the young Bulldogs in the early part of the season as they found themselves competing with teams several weeks ahead in development.

But the quality shone through as the Bulldogs reached their peak in the late part of the season with the able help of several members of the freshman squad to finish with an overall record of nine wins and eleven defeats.

The starting lineup to the reserve squad was switched frequently from game to game as Coach Snider experimented with different combinations but usually contained Ron Waymire and Dave McMichael at forward. Big Ralph Skoog (the leading scorer) at center, Jim Wood and either Don Stillson or John Smead at guards and often included Eston Perry, Art Kidd, and Bob Hobson.

## Frosh Have a Mediocre Season

For the first time since Charles Isley has taken over the helm, the freshman team has suffered a losing season winning 7 and losing 9. However there were a few bright spots in the otherwise dismal season, namely Carl Mitch, Don Seramur, and Jerry Kaiser. The frosh started the season in miserable style—losing their first four games before they embarked on a 3 game winning streak by edging Portage 27-24. The freshie reserves had an equally poor season as they also lost their first four games in succession before upending their arch-rival Lowell 39-12. It is generally conceded that this years freshman crop may not be as poor as their record indicates. They suffered many losses due to lack of height on their squad and many of the setbacks were of the heart break variety. However the squad is well grounded in fundamentals and could produce some topflight performance for future varsity posts.

## Lettermen's Club

The Lettermen's Club, sponsored by Coach Joe Black, is an organization whose membership is limited to boys who have won a major letter in any one of five major sports. This well-balanced athletic program offers many opportunities for the student to participate according to his special interests and abilities. The Lettermen's Club membership includes individuals from almost every phase of school athletic life. School activities of Lettermen's Club for the 1951-52 included the Sock Hop on November 2, the Lettermen's Club Variety Show on February 14, and the purchase of line markers for the football squad.

Lettermen officers pictured here with Coach Black, their sponsor, are President Stan Barr, Secretary Don McLean, and Treasurer George Middleton.

## G. A. A.

G. A. A. Sport heads shown here are Marilyn Williams, Barbara Peterson, and Joy Shimko standing behind Norma Utley and Marjorie Beckman.

The club which shows the girls of Crown Point how to become better citizens, to learn to work together, and to become better sports is the Girl's Athletic Association, under the guidance of the sponsor, Helen Palmer.

The girls can participate in four major sports: soccer, volleyball, basketball, and baseball and also minor sports: swimming, skating, and dancing are just a few examples.

They can win any of three awards: the shield, a minor letter, or the major letter. If a girl is active in the sports and has a high standard of citizenship she has a chance to win the star, the highest award.

In the Spring the G. A. A. and the girl's physical education classes sponsor a carnival and dance. For the finale they give a farewell dinner for the senior members at which they install the new officers and reward the star to the most outstanding member.

The G. A. A. officers for this year are: Jeanne Anderson, treasurer; Marilyn Stephenson, vice president; Mrs. Palmer, sponsor; Connie Doty, reporter; Claire Phillips, president.

These girls are taking us to the country of Mexico with their Mexican steps and their typical Mexican costumes.

Holland was represented in the G. A. A. Carnival last year. The girls wore Dutch caps, white blouses, and the full skirts which are typical of the Holland girls. The United Nations was the theme of the G. A. A. Carnival last year.

## Track Team Enjoys Fine Season

The Bulldog thin-clad's raced through a tough 13-meet schedule failing to place 1st in only 3 contests. In two of these they were edged by their perennial cinder rivals—the Brickies of Hobart. They also placed 2nd in a meet with Valpo. The Bulldogs were led by senior stalwarts Elwyn Buche, Don Dietle, and Tim Johnston with able assistance from underclassmen Clarence Bosel, Bob Meadows, John Smead, Ron Waymire, Jack Roysdon, and Jim Beck.

## Bulldogs Harriers Place Fifth in Conference

The Crown Point Cross Country team with a group of new runners except for Don Bennett, Junior Veteran, had a below average season. They engaged in two dual meets, winning one with Lowell and losing with Portage. In four regular meets where three or four schools were involved they placed last twice, never first. In the conference meet the Bulldogs placed fifth.

Don McLean, senior, running his first year of cross country, paced the squad. He was pressed by Phillip Crider, sophomore, also running his first year.

## Bulldog Nine Finishes Second in Conference

The '51 Bulldog "nine", who won 8 games while losing only 2, proved to be good mudders as they waded through a rugged ten game schedule, balked by postponements due to rainy weather. Sparked by the finest battery in the Conference, Al Phillips and Don Foster, both named to the All Conference team, and assisted by Don McLean — first base, George Middleton — third base, and John Straka—outfield, plus an outstanding group of underclassmen, they

finished second in the Conference to Dyer, who defeated them in their only conference loss.

The '51 edition, coached by Carl Carnahan, sported a potent batting attack and a smooth-functioning defense, characteristic of Carnahan-coached teams, to cop the runnerup spot. For the second time in as many years they lost only one conference contest, this to the Indians of Dyer, a perennial baseball power.

## UNDERCLASSMEN

Learning—the object of our school. Not the learning  
that comes from books alone but the learning that is  
attained through companionship, through  
competition — earnest but friendly — through  
sharing other people's problems and sharing  
those of your own.

Our classes and the people who make up our classes—  
The boy who sits next to you in history, and your  
lab partner in biology, your locker partner—  
they have the most important part in our  
learning. Through them we discover ways to live  
with other as equals, neither above nor below  
ourselves. We learn that other people share our  
sorrows—and our happiness, too.

# SENIORS

Our cherished dreams of the last four years have come true. Shyly we entered C. P. H. S. as confused and mixed-up freshmen. Soon our fears vanished and we became the usual freshmen. In big and little ways we became leaders and representatives and felt that we were doing our part for our school. Our horizons began to widen and we began to plan for our future as we learned from experience. As we met each day and marked it off the calendar, each dream, each pleasure, each experience became a memory. Commencement marked the end of four years of study, of dances, of final exams, and all the other events which make up a high school life. We realize now that a part of us will always remain here in Crown Point High. In many years to come we will always remember the long march down the aisle to receive our diplomas on our last day in our beloved Alma Mater.

## Class of '52

Treasurer Joel Mikuta, Vice-president Don Patz, Secretary Barbara Peterson, and President Allen Teagle—Senior Class Executives.

## National Honor Society

The faculty chooses fifteen per cent of the graduating class for membership in the National Honor Society. Hard work, ambition, and undying school spirit identify their chief characteristics. Seniors meriting membership are chosen on the basis of service, leadership, and their general attitude towards others. Such personal traits are necessary in making up a valuable citizen and an intelligent leader in this democracy of ours. This year's members are Bob Armstrong, Joyce Coash, Marilyn Eshelman, Ted Gruenhagen, Jerry Larson, Joel Mikuta, Richard Patterson, Don Patz, Barbara Peterson, Dorothea Petrovich, Bill Prange, Phyllis Rosenthal, Georgene Schmal, Joan Scott, Allen Teagle, and Marion Whited.

Barbara Peterson received the D. A. R. Award this year and Dick Patterson the Science Award.

# AUTOGRAPHS

Don Patz and Barbara Peterson keep up with current events by reading **Our Times** in Mr. Snider's civics class.

Busy seniors don't have time to lounge very often—especially Barbara and Don, but our camera caught them here in one of their leisure moments.

Our first **Excilibur** King and Queen wear royal smiles at their crowning.

Pic and Jon's is the favorite hangout after school and after a dance. Barbara and Don stop to enjoy the clatter, chatter, and a coke.

A day with a king and queen—**Excilibur King and Queen**
